Description:

About the Author Linda Welch was born in Hampshire, England. After moving to the USA, she lived in Idaho, California and New Mexico before settling in Utah. She now lives in a mountain valley, more or less halfway up the mountainside, with her husband and Scottish terrier. Unlike Tiff Banks, the heroine of Linda's Whispering series of paranormal mysteries, she is not tall and white-haired, and does not see demons. What she does see are moose, deer, raccoon, skunk, wild turkey, a huge bird population and a ridiculous amount of snow. When not writing and depending on the season, she is usually tending to her Scottie, filling the bird feeders, futilely attacking the weeds in her garden or shoveling out after a snowstorm. Look for the sequel to Along Came a Demon: The Demon Hunters.
