Description:

Review “There aren’t many people in America who have achieved as much as Marco has in his four decades. He is a rock-solid conservative, grounded by a foundation formed long ago. On that foundation, Marco has already built a shining career. But I suspect he is still building.”

—**Jeb Bush, former governor of Florida**

“His success is an affirmation of the sacrifices members of his parents’ generation made so that their children could have the opportunity to achieve the American Dream . . . He shows insight into his flaws, analyzes professional and personal mistakes, and extols the virtues of bipartisan cooperation.”

–Kirkus Reviews

“This is a classic of its genre.”

–Gillian Tett, *Financial Times*
