Description:

Review From The Kindle Book Review:

The completely fresh storyline of a *Daughter of Time* is one of the strongest aspects of this story ... a sweetheart style romance in that the sexual scenes take place off stage, and an enjoyable look at chivalry in a way that explains how functional it was for the time period, and not just a cliché

romantic notion modern readers have about knights in shining armor.

Overall, I give this book 5 stars and recommend you grab a copy or at least download a sample for yourself.
