## **Description:**

**About the Author** Pam Godwin lives in Missouri with her husband, their two children, and a foulmouthed parrot. When she ran away, she traveled fourteen countries across five continents, attended three universities, and married the vocalist of her favorite rock band. Now, she resides in her hometown, earning her living as a portfolio research analyst, and living her yearning as a writer. Java, tobacco, and dark romance novels are her favorite indulgences, and might be considered more unhealthy than her aversion to sleeping, eating meat, and dolls with blinking eyes.
