**Description:**

**From** Writer/orator Og Mandino draws on his storytelling skill to inspire us [ ] la Andrew Carnegie, Norman Vincent Peale et al. His message and style probably work best on the credulously hopeful. More personality shines in his voice than in his prose. Probably more spontaneous when speaking before a live audience, he exudes cracker-barrel New England tone. Y.R. (c)AudioFile, Portland, Maine --This text refers to an out of print or unavailable edition of this title.
