## Description:

This is an ALL-NEW, full-color second edition. The new book is spiral bound with a thick, durable cover. It's been expanded to 100 trails, including 43 new trails not in the previous edition. Whether you're a newcomer to 4-wheeling or an experienced veteran, we guarantee you'll have fun.

Trails include desert and mountain areas, many close to Phoenix, Tucson and Flagstaff. In addition,

we've added more trails around stunning Sedona. Featured new trails in other parts of Arizona include Canyon de Chelly, Monument Valley and El Camino del Diablo. Easy, moderate and difficult routes are color coded, while symbols quickly show kinds of vehicles allowed on each trail. This includes unlicensed UTVs, ATVs and dirt bikes.

A separate mileage log ties numbered locations along the route to a custom map featuring a detailed relief background. GPS coordinates are built into the mileage log so you no longer need to flip to the back of the book. Every trail is layed out in a convenient two-page spread with directions right next to the map. Included are reverse mileages for all trails and more historical highlights. A free PDF sample of the book can be downloaded from the publishers Website at [FunTreks.com](http://FunTreks.com). Please note that the previous black & white edition is now out of print.
