Description:

A Fun & Inspiring Introduction to the Art of Hand Lettering

Hand Lettering for Relaxation is the perfect way to cultivate calmness and joy while creating beautiful works of art. While hand lettering can look intimidating, artist and blogger Amy Latta has a friendly and down-to-earth approach that will give you the confidence to draw impressive designs with ease. Learn how to create a lovely brush-lettered look with easy, no-fail faux calligraphy. Then add pretty embellishments such as vines, roses, banners, ribbons, swirls and feathers that take your designs to the next level. You'll also get a beginner's guide to real brush lettering, plus fun print fonts and ways to highlight, shadow or emboss your words. With 46 unique workshops, each with a featured motivational design, you will gain enough proficiency to proudly share your lettered art on social media, make personalized gifts and even decorate your home.

In this interactive workbook, doodling on the high-quality art paper is highly encouraged! Use it to letter the featured design with the new technique you learned, create your own design or simply enjoy some meditative practice. No matter how you use it, this book is sure to help you relax, enjoy your creative journey and make your life more beautiful wherever you are.
