Description:

About the Author Christopher Paolini's abiding love of fantasy and science fiction inspired him to begin writing his debut novel, *Eragon*, when he graduated from high school at fifteen after being homeschooled all his life. Both *Eragon* and *Eldest*, the second book in the Inheritance cycle, became instant *New York Times* bestsellers. Christopher is currently at work on *Brisingr*, the third volume in the cycle. He lives in Montana, where the dramatic landscape feeds his visions of Alagaësia.
