See how chemistry is relevant to your life

Now in its fifth edition, *Introductory Chemistry* continues to foster deep engagement in the course by showing how chemistry manifests in your daily life. Author Nivaldo Tro draws upon his classroom

experience as an award-winning instructor to extend chemistry from the laboratory to your world, with relevant applications and a captivating writing style. Closely integrated with the fifth edition of *Introductory Chemistry*, MasteringChemistry gives you the tools you need to succeed in this course.

This program provides you a better learning experience. It will help you to:

Personalize learning with MasteringChemistry: This data-validated online homework, tutorial, and assessment program helps you quickly master concepts, and enables instructors to provide timely intervention when necessary.

Achieve deep conceptual understanding: Several new Conceptual Checkpoints and Self-Assessment Quizzes help you better grasp key concepts.

Develop problem-solving skills: A step-by-step framework encourages you to think logically rather than simply memorize formulas. Additional worked examples, enhanced with audio and video, reinforce challenging problems.

Maintain interest in chemistry: The inclusion of concrete examples of key ideas throughout the program keeps you engaged in the material.
