Description:

Review Highly recommended. Without ignoring the findings of New Testament scholarship, the author is more interested in the spiritual meaning of the infancy narratives. This is the fruit of a lifetime's scholarship, prayer and reflection. Church of England Newspaper 20130421 --This text refers to an alternate edition.

About the Author **JOSEPH RATZINGER, Pope Benedict XVI**, born in 1927 in Germany, has been head of the Roman Catholic Church since April 2005. he served until his papal election.
