Description:

Da Vinci in detail: Leonardo's life and work — all pictures, all drawings!

One of the most fully achieved human beings who has ever lived, **Leonardo da Vinci** (1452–1519) is recognized the world over as a figure of **infinite curiosity, feverish imagination and sublime artistic ability.**

This **updated edition** of our XL title provides the **most comprehensive survey of the life and work of this master painter, sculptor, architect, scientist, and inventor.** Its *catalogue raisonné* of Leonardo's paintings covers both his surviving and

his lost painted works. With full-bleed details of many paintings, the reader is able to inspect the **subtlest facets of brushworks that came to revolutionize Art History**.

A further catalog of **Leonardo's drawings** arranges nearly 700 of his drawings by category (architecture, technical, proportion, cartography, etc) and showcases his fabulous observational finesse, from **anatomical studies to architectural plans, from complex engineering designs to pudgy infant portraits**. It includes a fresh chapter exploring the **artist's mesmerizing manuscripts**.

The accompanying account of Leonardo's life and work includes a special in-depth exploration of his masterworks *The Annunciation* and *The Last Supper*.
