Description:

Review 'Jung's single-minded humility, his passion to unearth truth, is one of the loveliest impressions to emerge from this absorbing and many-sided book.' The Times 'He was on a giant scale ... he was a master physician of the soul in his insights, a profound sage in his conclusions. He is also one of Western Man's great liberators.' J. B. Priestley, Sunday Telegraph 'Can sometimes rise to the heights of a Blake or a Nietzsche or a Kierkegaard ... like any true prophet or artist he

extended the range of the human imagination ... to be able to share Jungian emotions is surely an almost necessary capacity of the free mind.' Polly Toynbee, Observer --This text refers to an out of print or unavailable edition of this title.
