Description:

Rookie patrol officer Trish Robinson isn't expecting to see any action during another routine night on the job. But when she and her training officer answer a prowler call at a remote estate, the two cops walk into an ambush laid by a crew of ruthless criminals. Disarmed, cut off from help, and outnumbered five to one, the young rookie must draw on inner resources she never knew she possessed as she plays a game of cat and mouse with hardened killers in a desperate battle to survive.
