Description:

Princess is an urban tale of Moni Harrison, young lady who found herself living the fabulous life of getting great sex and being lavished with money, cars, and all the riches she could imagine. Her man, Rick was generous with his money. When it came to his princess, he gave her nothing but the finest.

All of the lonely nights and cheating wasn't enough to hurt Moni's relationship with Rick. He was a big time hustler so she knew it came with the business. Moni continued to be by her man's side. She was loving life until the reality of Rick's

grimy lifestyle hit her like a ton of bricks. Will Moni keep her royalty status as Rick's lady or will she take her crown off and walk away from everything that comes along with being a princess?
