Description:

Review

“Part urban fantasy, part superhero tale, this adventure is full of action, drama, and humor, with just a touch of romance.” —*Publishers Weekly Online*

“This promising new series may feature dragons and a reeducation camp for contemporary youths who have mythological roots, but the character development, plotting, and ethical quandaries make this more than a worthy equal of the works of Rick Riordan or Christopher Paolini.” —*Booklist*

Praise for Janette Rallison:

“Rallison’s writing is zippy and light as well as frequently humorous; teens looking for a breezy read with a fairy-tale bent will lap this up, and they may gain a little useful perspective on relationships and loyalty at the same time.” —*BCCB*
