"Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and

interpret the questions on the exam."

--Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research

Students and social workers preparing for the social work bachelors licensure exam will find an invaluable study resource in the *Social Work ASWB® Bachelors Exam Guide*. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Bachelors "Knowledge, Skills, and Abilities" upon which the exam is based and incorporates information from the **DSM-5™**.

The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, human behavior, diversity, assessment, direct and indirect practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada.
