Description:

About the Author Abbi Glines can be found hanging out with rock stars, taking out her yacht on weekends for a party cruise, sky diving, or surfing in Maui. Okay, maybe she needs to keep her imagination focused on her writing only. In the real world, Abbi can be found hauling kids (several who seem to show up that don't belong to her) to all their social events, hiding under the covers with her MacBook in hopes her husband won't catch her watching Buffy on Netflix again, and sneaking off to Barnes and Noble to spend hours lost in the yummy goodness of books. She blogs regularly but rarely about anything life changing. She also really enjoys talking about herself in the third person. Visit Abbi at www.abbiglines.com or on Twitter: @abbiglines
