Description:

THE MIDNIGHT DANCE CONTINUES...

They stalk in the shadows, moving gracefully and unseen among their prey. They are the blood-drinking fiends of whispered legends –Kindred, Cainites, the Damned. Above all, they are vampires. Their eternal struggle, waged since the nights of Jericho and Babylon, plays itself out among the vampires' grand Masquerade is imperiled, and the night of Gehenna draws ever closer.

UNTIL THE END OF ALL THINGS

This new edition of Vampire: The Masquerade is an updated, revised version of the popular classic. In this mammoth volume can be found all 13 Clans, all major Disciplines, and a host of brand-new information on both the Kindred and the...things...that hunt them. This book compiles everything that a Vampire player or Storyteller needs to know about the Kindred and the World of Darkness for the new millenium. Plus, the new edition provides all-new information on the changes that affect the Clans, and on the beginning of the end of the Camarilla. Finally, the first of the Storyteller rulebooks is the best again!
