Description:

Review “[An] ambitious and challenging new book . . . [*The Revenge of Geography*] displays a formidable grasp of contemporary world politics and serves as a powerful reminder that it has been the planet’s geophysical configurations, as much as the flow of competing religions and ideologies, that have shaped human conflicts, past and present.”—Malise Ruthven, *The New York Review of Books*

“Robert D. Kaplan, the world-traveling reporter and intellectual whose fourteen books constitute a bedrock of penetrating exposition and analysis on the post-Cold War world . . . strips away much of the cant that suffuses public discourse these days on global developments and gets to a fundamental reality: that geography remains today, as it has been throughout history, one of the most powerful drivers of world events.”—*The National Interest*

“Kaplan plunges into a planetary review that is often thrilling in its sheer scale . . . encyclopedic.”—*The New Yorker*

“[*The Revenge of Geography*] serves the facts straight up. . . . Kaplan’s realism and willingness to face hard facts make *The Revenge of Geography* a valuable antidote to the feel-good manifestoes that often masquerade as strategic thought.”—*The Daily Beast*

“[A] remarkable new book . . . With such books as *Balkan Ghosts* and *Monsoon*, Kaplan, an observer of world events who sees what others often do not, has already established himself as one of the most discerning geopolitical writers of our time. *The Revenge of Geography* cements his status.”—*National Review*

From the Hardcover edition.

About the Author Robert D. Kaplan is chief geopolitical analyst for Stratfor, a private global intelligence firm, and the author of fourteen books on foreign affairs and travel translated into many languages, including *The Revenge of Geography: What the Map Tells Us About Coming Conflicts and the Battle Against Fate*; *Monsoon: The Indian Ocean and the Future of American Power*; *Balkan Ghosts: A Journey Through History*; and *Warrior Politics: Why Leadership Demands a Pagan Ethos*. He has been a foreign correspondent for *The Atlantic* for more than a quarter-century. In 2011 and 2012, *Foreign Policy* magazine named Kaplan among the world’s “Top 100 Global Thinkers.”

From 2009 to 2011, he served under Secretary of Defense Robert Gates as a member of the Defense Policy Board. Since 2008, he has been a senior fellow at the Center for a New American Security in Washington. From 2006 to 2008, he was the Class of 1960 Distinguished Visiting Professor in National Security at the U.S. Naval Academy, Annapolis.
